# REFRESHING FRESSINGFIELD

As a Parish Council it was decided that instead of carrying out a Neighbourhood Development Plan which would cost upwards of £25k and possibly take four years, a new Enhanced Village Plan would be appropriate. By consulting Fressingfield villagers through this survey, the Parish Council will be able to make better decisions and steer development over the coming years. We hope to have the results of the survey by June 1st.

**Complete the survey by TICKING BOXES and circling numbers (7 showing strongest agreement)**
